

## ÉCOLE JULES QUESNEL

### BURSARY FOR GRADE 7 TRIP 2018

A bursary is available through the PAC to assist families who because of financial hardship are not able to afford the whole cost of the 2018 Grade 7 trip to either Quebec or to Galiano Island. This bursary is being paid for out of the Senior Trip Bursary Fund, which was created from excess revenues from the fundraising efforts of past JQ families in support of the Quebec Exchange trip.

A maximum aggregate amount of \$10,000 will be available from the Senior Trip Bursary Fund to assist families in paying for the 2018 Grade 7 trip. A maximum amount of \$500 may be applied for in respect of each child. The amount awarded in respect of each child may be less than applied for or no award may be made at the discretion of the PAC Executive, including if the total family contribution to trip costs is less than the sum applied for or if applications are received with a total amount in excess of the maximum aggregate amount.

In order to apply for bursary funds the attached form must be completed in its entirety and submitted to the Principal, Natalie Morissette, on or before 3:00pm on **Friday December 1st, 2017**.

The application form is divided into Part One and Part Two. Both Parts will contain a unique identifying number. Part One contains the name and contact information of the child and the applicant family and will be removed and held by the Principal. Part Two only will be given to a committee formed from the PAC Executive to consider applications anonymously by reference to the unique identifying number. The committee will make decisions and report back to the Principal on the amounts to be awarded. The Principal will then inform applicant families of the amount of any bursary awards. The amount of the bursary award will be taken into account in calculating the final balance due with respect to the child's participation in the Grade 7 trip.
