Direct Donation:

We are in our very final weeks of collecting for direct donation. We have not yet made out target goal to cover our budget. At this point our participation rate is only 46%.

This money goes towards deepening our children's learning and experience at school. Specifically, the money covers outdoor improvements, library books, choir subsidies, technology equipment & support, sports equipment, cultural events, classroom enrichment to name a few. Every child benefits in multiple ways.

Please help us reach our goal of 100% participation. The recommended donation is \$100 per child, however, any amount of money is considered participating and is greatly appreciated. Donations over \$25 are eligible for a tax donation. Thank you.
