Important JQ Family Survey

The JQ PAC Executive works very hard to ensure that our school is the best it can be through MANY initiatives. We try to be effective, efficient and transparent. But we are only 14, we need your input if we truly want to represent the best interests of the parents.

Our Exec committees have put together a few questions which they feel would help them do a better job. We have gathered those questions together in a survey for you. It should only take a few minutes (though that depends on you!). We are also considering some changes and decisions that would best be made with your input. Thank you!

Most of the questions are tick box. All questions do NOT need to be answered. You are welcome to only respond to those areas which apply to you and your family. However, we would appreciate if you could respond to the email and general meeting section since it should apply to everyone.

without further ado...Here is a link to: [the survey](#)

Many thanks for your time and thoughts!
