[Track & Field](#): The season will begin with a first practice on **Monday, April 9th from 8:00 to 8:45 am at Camosun Field**, next to Queen Elizabeth Elementary. Students in all grades are able to participate. Practices will be held on Mondays and Wednesdays from 8:00 to 8:45 am. If you have not already done so, please sign the Permission Form (copy attached). If your child participated in the Cross Country season, you have already granted permission. Primary students must be accompanied by a parent during practice and brought back to JQ at 8:45 am. If you are able to volunteer with practice or mini-meets, please contact our wonderful parent volunteer coach, Lori Durward at patandlori@telus.net.

[Letter from VSB Superintendent and Chair of the Board of Trustees](#): Please find attached a letter to provide an update on some of the events, opportunities and activities that trustees, and district staff have been involved in.

[2018 Student Learning Survey](#): Parents/Guardians of students in **Grades 4 and 7** are invited to complete an Internet Electronic Anonymous Survey any time before **April 27th**. Please see attached for how to complete the survey. Students in grades 4 & 7 only will complete the survey at school.

[Returning to JQ?](#) Please let the school know **by May 15th, 2018** if your child(ren) will no longer be returning to JQ in September 2018.

[Running Shoes](#): Please ensure that your child has proper footwear for their gym period. We will not let students participate in their physical education class without them. The students often forget and want to play without shoes. This will not be allowed for safety reasons. Please remind them to bring their running shoes when needed.

[Introduction to New Staff](#): We would like to welcome Alina Kapetanovic who has joined JQ this week in Division 6.

We would also like to welcome 3 teacher candidates to our school for their 10 week long practicum starting this week until the first week of June.

Beauty and the Beast:

Hello,

A props appeal from "Beauty and the Beast".

We are putting together an "Inventor's Cart" for "Beauty and the Beast".

We are collecting anything that looks "fantastic" or "out of the ordinary." Anything that moves or whirls or twirls, elevates, moves sideways. Anything that looks like a crazy inventor dreamed it up. Things made out of Lego or Meccano, Tinker Toys, building blocks, kitchen gadgets, any household gadgets, whirring motors, old toys that move. Components from old games. We will attach these items to a 4x3 cart.

We also need blocks of Styrofoam, old broom handles, duct tape.

We also need a BIG (oversized) wooden chair (for Gaston). We also need a trestle table about 4 feet high (or a narrow, long table of some sort).

Please drop off these items in the music room or email me if you need things picked up colleencotton@gmail.com

Thanks,

Colleen
