Extra-Curricular Activities

Extracurricular Activities

Each year at JQ our Extracurricular coordinators gather all of your suggestions and recruit programs that we can offer to our children at a reduced 'group' rate. The programs run typically for 4 sessions, Fall, winter, spring and summer. We have added some exciting new programs to our favorite line up. Check them out!

Our Fall line up including more information, cost and registration can be found throughout the year on our website. Here is the link:
