Grade 7 girls: Nyla (1st), Myah (7th)

Grade 2 boys: Ethan (9th)

Grade 3 boys: Freddie (5th), Thomas (8th)

Grade 6 girls: Kate (3rd), Willa (6th)

There is No practice Wednesday (Oct 17th).

The final **District Meet** is on **Thursday, October 18th at 1:00 PM** at Trout Lake!

- Grade 7 boys start (1:00 PM sharp!), then grade 7 girls, grade K/1 boys then girls, grade 2 boys then girls, etc.
- Parking is difficult around Trout Lake so please leave yourself plenty of time – we recommend leaving the school at 11:45 for grades 7, K , 1 and at 12 PM for grades 2-6 . ***Special note: some classes have a field trip Thursday afternoon – if your child has chosen to compete in the District Meet instead, make sure they are picked up from school no later than when the rest of their class leaves for their field trip!
- Runners should have a good, hearty breakfast and a light lunch on race day
- Use the loo at school – bathrooms at Trout Lake are busy and/or far from the start line
- Bring a snack and water to Trout Lake
- Look for the red JQ flag between the start and finish lines ☺
- For those who can make it, we'll celebrate after the Meet with treats at Casa Gelato, which is close by.

The season is almost over! We'd love to wrap up with a **Photo Spread** featuring our amazing runners. If you have any photos from the Meets to share, please send to Julie

Happy Trails!

Halloween Costumes: If you will be purchasing or making a Halloween costume over the next couple of weeks, we would like to give parents a few reminders:

- Masks will not be permitted in school
- Students should not bring toy guns or weapons as part of their costume
- How not to culturally appropriate Halloween:

Cultural Appropriation: To take parts (symbols, artifacts, dress, words, practices, etc.) from a culture that is not your own. This can happen in a variety of forms but often around Halloween it involves wearing 'costumes' that may have some significance to other cultures.

Preparing for potential lower temperatures at Jules Quesnel

Dear Parents and Guardians,

Following a pipeline rupture near Prince George on Tuesday October 9, Fortis BC requested that all consumers conserve natural gas. As a result, Vancouver School Board building engineers have reduced gas consumption by starting gas fueled heating systems later, turning them off earlier and adjusting system settings in all schools and buildings throughout the District. Staff have also been advised to close windows and doors, where appropriate, to maintain heat. This has been underway for a few days.

Please be assured, we do not expect these measures to have major impacts on our school day. However, during this time, please ensure your child has appropriate clothing to remain comfortable while at school.

If you have any questions or concerns, please contact me.

Claudette Alain, Principal
